100	Inspection Report	Condition assessment (property, safety, etc.)

How Documents Are Classified

Every document can fit multiple classification frameworks at once:^[2]

- **By purpose** — Informational, transactional, legal, persuasive, instructional, or administrative
- **By structure** — Structured (fixed fields like tax forms), semi-structured (invoices), or unstructured (free-flowing essays)
- **By file format** — PDF, DOCX, XLSX, PPTX, CSV, XML, etc.
- **By industry** — Business, legal, healthcare, finance, government, academic, or technical
- **By source/formality** — Primary vs. secondary, original vs. copy, public vs. private
